

FTP Attachments Pro on Win Server 2008 R2 IIS7

1. Obtain and install “ASPAJAXExtSetup.msi” (“[ASP.NET AJAX 1.0](#)”) on server
2. Obtain standalone.sforce.zip file from Enzigma and copy to server
3. Extract standalone.sforce.zip somewhere on Data drive of server
4. Obtain streams.exe from [TechNet](#) and in elevated command prompt run the command
“streams.exe -d -s f:\%extracted sforce folder%*.*” This “unblocks” the files from having limited capabilities.
5. Add following code to web.config before </configuration> in the sforce folder.

```
<runtime>
<assemblyBinding xmlns="urn:schemas-microsoft-com:asm.v1">
<dependentAssembly>
<assemblyIdentity name="System.Web.Extensions"
publicKeyToken="31bf3856ad364e35"/>
<bindingRedirect oldVersion="1.0.0.0-1.1.0.0"
newVersion="3.5.0.0"/></dependentAssembly>
<dependentAssembly>
<assemblyIdentity name="System.Web.Extensions.Design"
publicKeyToken="31bf3856ad364e35"/>
<bindingRedirect oldVersion="1.0.0.0-1.1.0.0" newVersion="3.5.0.0"/>
</dependentAssembly>
</assemblyBinding>
</runtime>
```

6. In IIS7 go to default website and “Add Application” linking to the extracted sforce folder.
7. You should now be able to browse to <http://localhost/sforce>

The screenshot shows the Enzigma Software login interface. At the top left is the Enzigma logo with the tagline "We start where others quit". Below the logo is a navigation menu with two main items: "Demo" and "Installation Video". Under "Demo", there are links for "FTP Attachments User" and "FTP Attachments Pro User". Under "Installation Video", there are links for "Install Evaluation (Hosted)" and "Install Standalone (On your server)". To the right of the menu is a login form. It contains fields for "Login:" and "Password:", both preceded by question mark icons. Below these fields is a "Login" button. At the bottom of the login form is a link "Forgot your password?". At the very bottom of the page, a footer bar displays the text "Powered by Enzigma Software Pvt. Ltd." followed by links to "Home", "About us", "Contact us", and the text "Version: 2.2.39".
